

Hello Fathers,

We are a week away from National Vocation Awareness Week! I am truly excited about what the Lord will bring about by highlighting and praying for Vocations this week. The theme this year is “Family, the Foundation for Vocations.” In addition to the information we sent out in the pastoral bulletin, we’ve created a video for your use. It is my hope that the Office of Vocations can provide you with the best materials and resources for this week to be a success in your parish.

First follow the above link to a 59 second video which has been created for your use. You can use it at your discretion this weekend in your masses, post on your websites, share on your social media pages or simply show it to friends!

Second, follow this link to a tremendous page full of easy to utilize resources and ideas.

Third, you can always refer back to the Office of Vocations Website for information on the 5 nights of Exposition which will be happening throughout the Diocese in order to pray for vocations.

With immense gratitude for your support of me and this office,

Fr. Chuck Dornquist
Director of Vocations
Diocese of St. Petersburg
6363 9th Avenue North
St. Petersburg, FL 33710
